

Waste Deposit Guide Lines

Galley Waste

Galley waste to be
Deposited in the dedicated container

Please deposit massive pieces
on top of the container.

 All galley waste

 Cargo remainings and/or materials
used to stow or fasten cargo such
as wood or metal.
No Hazardous waste unless
packed in the dedicated big-bag!

Hazardous Waste

Please use the dedicated big bag
for solid hazardous waste and
liquids, only in the original, non
leaking and tightly closed package,
like jerrycans and liquid drums.

Place the filled and closed big-bag
in the front compartment of
the container

 Oil rags, oil filters, remainings
of paints, resins or glue, other
solid oil or paint contaminated
materials, empty packages of
hazardous materials

 Non hazardous waste,
galley waste,
cargo remainings or
other cargo related waste
